TikTok Shop Affiliate & Creator Outreach Mastery

Cold Pitch Swipe Files, Sample Agreements & Commission Negotiation

THE 3 PILLARS OF HIGH-CONVERTING CREATOR RECRUITMENT

Recruiting affiliate creators is the highest-leverage growth engine on TikTok Shop. Unlike traditional paid sponsorships that cost thousands upfront with zero sales guarantee, TikTok Shop affiliates work on performance: you provide a free sample and 15% to 20% commission on every order they generate.

- **Ideal Creator Profile (The Sweet Spot):** Followers: 15k to 150k. Engagement Rate: > 4.5%. Frequency: Posts 4+ times weekly. Creator has previous videos with the yellow shopping cart icon.
- **Red Flags to Avoid:** Mismatched niche, low comment-to-view ratios (< 0.2%), erratic posting schedule, or past promotion of low-quality scam products.
