Viral Short-Form Video Script Templates

High-Retention Hooks, Visual Demonstrations & Conversion Frameworks

SCRIPT FRAMEWORK 1: THE PROBLEM-AGITATE-SOLVE (PAS) MODEL

Ideal for functional problem-solving gadgets and daily pain points. Runtime: 20-30 seconds.

- **0:00 - 0:03 [The Disruptive Hook]:** Visual: Extreme close-up of dirty eyeglasses or foggy jewelry. Voiceover: "If you still clean your glasses with your shirt, stop doing this immediately—you are literally scratching the lenses."
- **0:03 - 0:08 [The Agitation]:** Visual: Microscope-style zoom showing smudged dirt and micro-scratches. Voiceover: "Cloth only smears the grease around and traps bacteria."
- **0:08 - 0:18 [The Solution Demonstration]:** Visual: Drop glasses into the ultrasonic cleaner. Turn it on. Visible smoke-like dust instantly clouds the water. Voiceover: "This device uses 45,000 soundwaves per second to pull all grease out from behind the nose pads in literally 60 seconds."
- **0:18 - 0:25 [Social Proof / Value Reveal]:** Visual: Pull out sparkling clean glasses, hold up to bright light. Voiceover: "Optometrists charge $30 for this service, but this entire machine is under $25 right now."
- **0:25 - 0:30 [Frictionless CTA]:** Visual: Finger points down toward bottom-left yellow shop basket. Voiceover: "I linked the official store in the yellow basket below before the flash sale ends."

SCRIPT FRAMEWORK 2: THE SKEPTICAL REVIEWER / BEFORE & AFTER

Ideal for trending viral products where viewers have natural skepticism. Runtime: 25-35 seconds.

- **0:00 - 0:03 [Curiosity Hook]:** Visual: Holding product package looking doubtful. Voiceover: "I bought this weird TikTok product so you guys don't waste your money."
- **0:03 - 0:12 [The Experiment]:** Visual: Unbox rapidly, test on a challenging item. Voiceover: "Everyone on my feed claims this $18 gadget fixes your posture without feeling like a torture device. Let's put it to the test."
- **0:12 - 0:22 [The Genuine Reaction & Proof]:** Visual: Slip on brace under jacket. Camera pans to posture upright. Voiceover: "Wait... it actually pulls your shoulders back completely, and you can't even see it under a basic t-shirt."
- **0:22 - 0:30 [Honest CTA]:** Visual: Show in-app price tag. Voiceover: "Honestly 10/10 for the price. Tap the yellow basket below to grab one while they still have stock."

SCRIPT FRAMEWORK 3: SENSORY ASMR & AESTHETIC UNBOXING

Ideal for desk accessories, lighting, beauty, and premium stationery. Runtime: 15-25 seconds.

- **0:00 - 0:03 [Audio Hook]:** Visual: Crisp microphone audio. Tapping acrylic surface, box tape peel sound.
- **0:03 - 0:15 [Satisfying Assembly]:** Visual: Smooth magnetic clicks, button press, instant ambient lighting transformation.
- **0:15 - 0:25 [On-Screen Text CTA]:** Visual: Beautiful desk layout at night. On-screen text: "Link in yellow basket • 40% Off this week".

20 PROVEN PLUG-AND-PLAY HOOK OPENERS

- **Hook 1:** "TikTok made me buy this, and for once it actually works..."
- **Hook 2:** "Do not buy this product unless you want your friends asking where you got it every 5 minutes."
- **Hook 3:** "If you work an 8-hour desk job, this $20 hack will save your back."
- **Hook 4:** "Why is nobody talking about this hidden feature on TikTok Shop?"
- **Hook 5:** "I tested the cheapest vs most expensive version so you don't have to."
